Do you feel like you never have enough money, no matter how many hours you work or how much you earn? Do you worry whether you have enough in the bank whenever you use your debit card? Do you tune out during conversations about RRSPs because your pile of debt feels insurmountable? In *The Frugal Millionaire*, prominent portfolio manager Ravi Sodhi will guide you through a holistic step-by-step system for sound financial management and smart investing. Armed with seven valuable money management principles, discover how to create a realistic plan to ditch debt, save money, and feel worthy of financial freedom. With over 20 years experience in the financial industry, Ravi shares his insights and most strategic tips for making the most of your income and creating a life brimming with abundance, personal meaning, and gratitude. In the following pages, you will learn how to: - Pinpoint where your money goes, so you can budget with intention and purpose. - Minimize your expenses to get out of debt and increase savings. - Set measurable objectives to achieve your financial goals. - Pay yourself first - even when you feel like you don't have enough. - Become a skilled investor by learning the fundamentals. - Upgrade your money making knowledge by following the right gurus. - Use loans intelligently, so you're not accumulating debt with a low return on investment. Financial freedom is possible, but only if you have the right plan and smart tools at your disposal. If you want to transform your relationship with money and free yourself from financial stress, this book is for you.
